Interchange.**

About the Project

The new Ten Mile Interchange will help relieve congestion at the existing Meridian Road Interchange and improve access to the growing area west of Meridian Road.

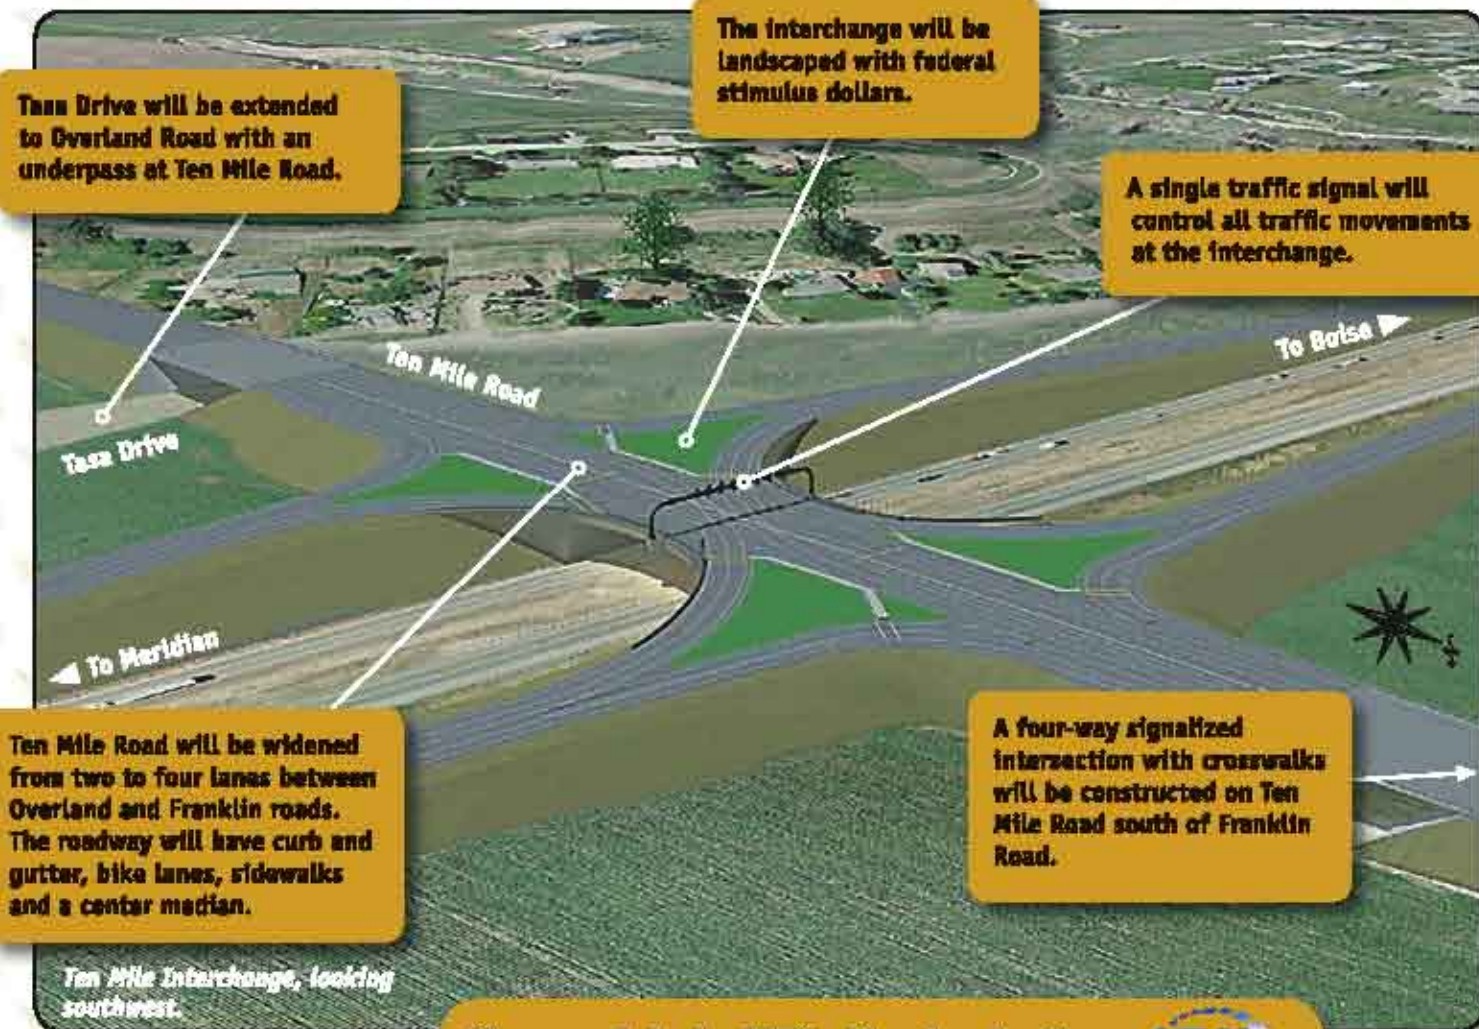

Construction will begin in July 2009 and be completed in the spring of 2011.

The Ten Mile Interchange is funded through the GARVEE Transportation Program, which uses Grant Anticipation Revenue Vehicle Bonds to expedite interstate improvements.

TEN MILE INTERCHANGE PROJECT

What to expect during construction

- The Ten Mile Overpass will be closed for 18 months to accelerate construction.
- Access to Tasa Drive, Davis Street and residences on Ten Mile Road will remain open.
- I-84 will be closed overnight during the bridge demolition and other occasions.
- Drilling the bridge foundation will be noisy.
- Typically, at least one east- and westbound lane will be open on I-84 at night. Lanes may be restricted from 10 p.m. until 5 a.m. on weeknights, and until 7 a.m. on weekends.
- Speed limits will be 55 mph on I-84, and 25 mph on Ten Mile Road.

Construction updates will be posted to itd.idaho.gov. Select *Projects*, *Southwest Idaho* and *I-84, Ten Mile Road Interchange*. For more information, or to request e-mail updates during construction, contact the ITD Office of Communications at 334-8005 or comments@itd.idaho.gov.
